

Since 1980

KUNDLI METALS PVT. LTD.

MANUFACTURERS OF TRANSFORMER WINDING WIRES
DEALS IN ALL KIND OF INSULATING MATERIALS

ABOUT US

Our Promoter **Mr. Alok Jain** Ji has started the journey of Kundli Metals Pvt. Ltd. over 4 decades back and now we are one of the leading manufacturer of high-quality transformer winding wires in India. Since then, we have consistently strived to deliver innovative and reliable solutions to the power and electrical industry. In our 40+ years of experience, we have diversified, expanded, developed and modernized our manufacturing facility immensely by using latest state-of-the-art Machineries equipped with advanced technology and stringent quality control measures.

OUR VALUES

1. **Quality:** Uncompromising commitment to delivering superior quality products that meet industry standards.
2. **Innovation:** Continuous research and development to develop innovative and efficient winding wire solutions.
3. **Customer Focus:** Understanding and exceeding customer expectations through personalized service and timely delivery.
4. **Integrity:** Maintaining the highest ethical standards in all our business practices.
5. **Sustainability:** Minimizing our environmental impact and promoting sustainable practices throughout our operations.

OUR MISSION

To be a trusted partner to the power and electrical industry, providing high-quality, innovative, and reliable winding wire solutions that contribute to a sustainable and electrified future.

OUR VISION

To be a global leader in the manufacturing of transformer winding wires, known for our quality, innovation, and customer satisfaction.
